The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts through the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address P. BROTHER AND SISTER MEET

FOR FIRST TIME IN 65 YEARS

Together for the first time in 65 years, Mrs. Martha A. White, of 515 West Flora street, and her brother, James L. Best, of Kansas, who were separated when they were children, are enjoying a reunion in this city. Mrs. White is the widow of the late Dr. H. H. White and the mother of Miss May White, of the Stockton school department.

Mrs. White and Mr. Best were members of a large family and were born in West Virginia and later moved to West Point, Iowa. When Mrs. White was a girl of 13 years and her brother only seven, their mother died and the children were separated through going to live with other relatives.

Held together only by the frail thread of vague memories the brother and sister had lost track of one another. Having occasion to come to Modesto this winter, he made inquiries about the White family of Stockton. He was informed that Dr. White and his wife were both dead. Then he learned the truth and was overjoyed to hear that his sister was still living.

Mr. Best came to Stockton about two weeks ago and there was an affecting reunion. The brother and sister who are in life's afternoon have spent many pleasant hours together bridging the years that lead them back to their childhood days and in trying to piece together the broken links in memory's chain.—Stockton (Calif.) Times.

HAS HAYS FOUND THE SAME

The Answer is Found in the Straight-Forward Statement of a Hays Resident.

We have been reading week after week in the local press of Wa-Keeney citizens who have been rid of distressing kidney and bladder troubles by Doan's Kidney Pills, and we have often wondered whether the same high opinion of this medicine is to be found in our neighboring towns. This frank and earnest statement by a well-known and respected resident of Hays will set this doubt at rest.

H. A. Cowan, Hays, Kans., says: "Doan's Kidney Pills have given me and others of my family entire satisfaction. I was relieved of backache and other kidney disorders. I have used Doan's Kidney Pills occasionally during the past few years for return attacks of kidney trouble with good results."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Cowan had. Foster-Milburn Mr. Hefner had. Foster-Milburn Co., Props., Buffalo, N. Y. Adv.
